

Situated in the eastern portion of the island of Montreal in the Saint-Leonard neighbourhood is First Capital's Place Viau.

Architecturally bold with glass panels, Place Viau boasts a contemporary reflection of style and grace. Anchored by a 100,000 sf urban Walmart Superstore, a 30,000 sf Marshalls, a 23,000 sf Michaels and a 10,100 sf Dollarama, this shopping destination is conveniently situated on the busy thoroughfare of Boulevard Viau, just off Highway 40, and offers great exposure to daily commuter traffic.

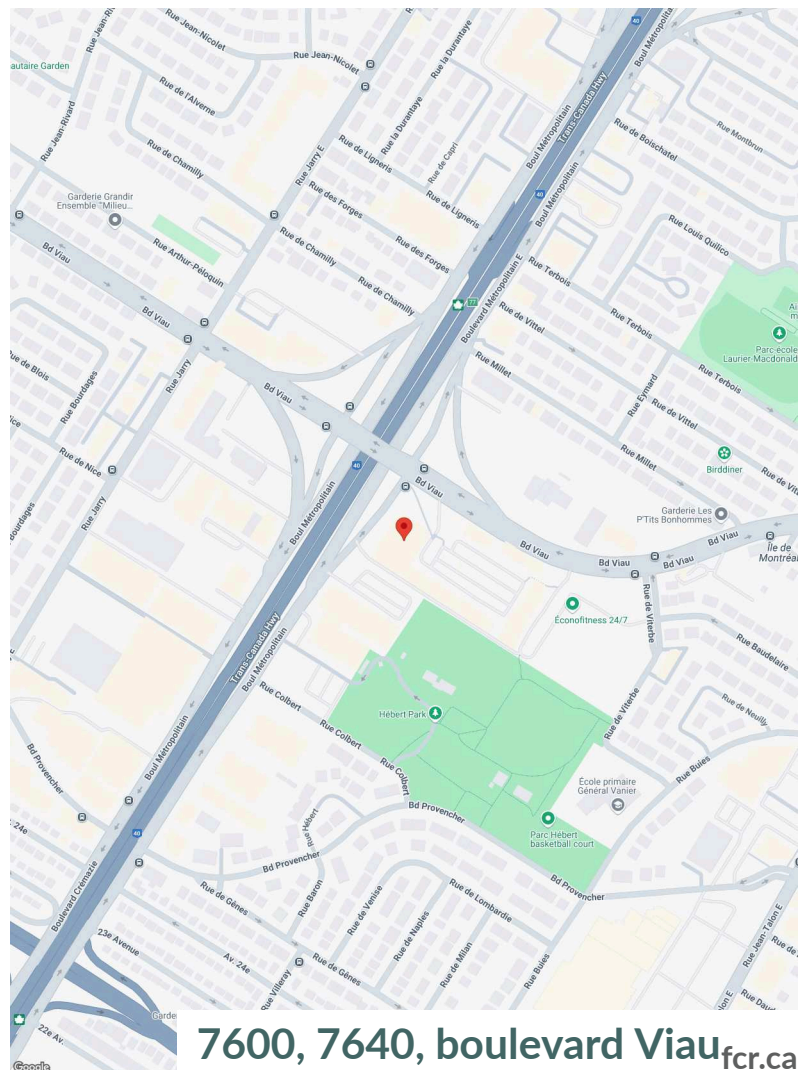

This family-oriented shopping destination services the many growing neighbourhoods in the surrounding areas, with over 573,500 residents within a 5km radius.

FCR has submitted a rezoning application for a Mixed-use high density project at Place Viau, Montreal, on lands adjacent to our shopping centre.

The proposal consists of 565,000 square feet of density over five buildings ranging in height from 6 to 10 storeys.

The 500 unit project is designed to be an integrated urban neighbourhood, complete with internal streets, a community plaza and pedestrian links to retail services at our shopping centre, an adjacent park with sport facilities and a future subway station that will be within walking distance.
