

The burgeoning area known as Liberty Village continues to undergo a dramatic transformation. With original facades of its heritage carefully preserved, it has evolved into a contemporary community in which to live, work and play. At the heart of the Village is Shops at King Liberty.

Metropolitan, hip, eclectic and easily accessible, Shops at King Liberty has become a retail hotspot in one of the city's most vibrant and desirable locations. The gentrification of Liberty Village has seen an influx of a hip urban crowd.

Not only is the area catering to the single professionals, it is also attracting young couples, families, and ex-suburbanite empty nesters, making for a unique and diverse mix of tastemakers and trend shapers. Shops at King Liberty is home to leading home décor retailers such as West Elm and EQ3, and popular dining destinations including Mildred's Temple Kitchen. People flock to the Village for their everyday needs, whether it's to visit Starbucks, the LCBO, Metro, or to work out at the 24-hour GoodLife Fitness.
