

Humber Bay Shores is a fast-growing neighbourhood in Toronto, known for its waterfront and easy downtown access. It's a great place to live, work, shop, and eat.

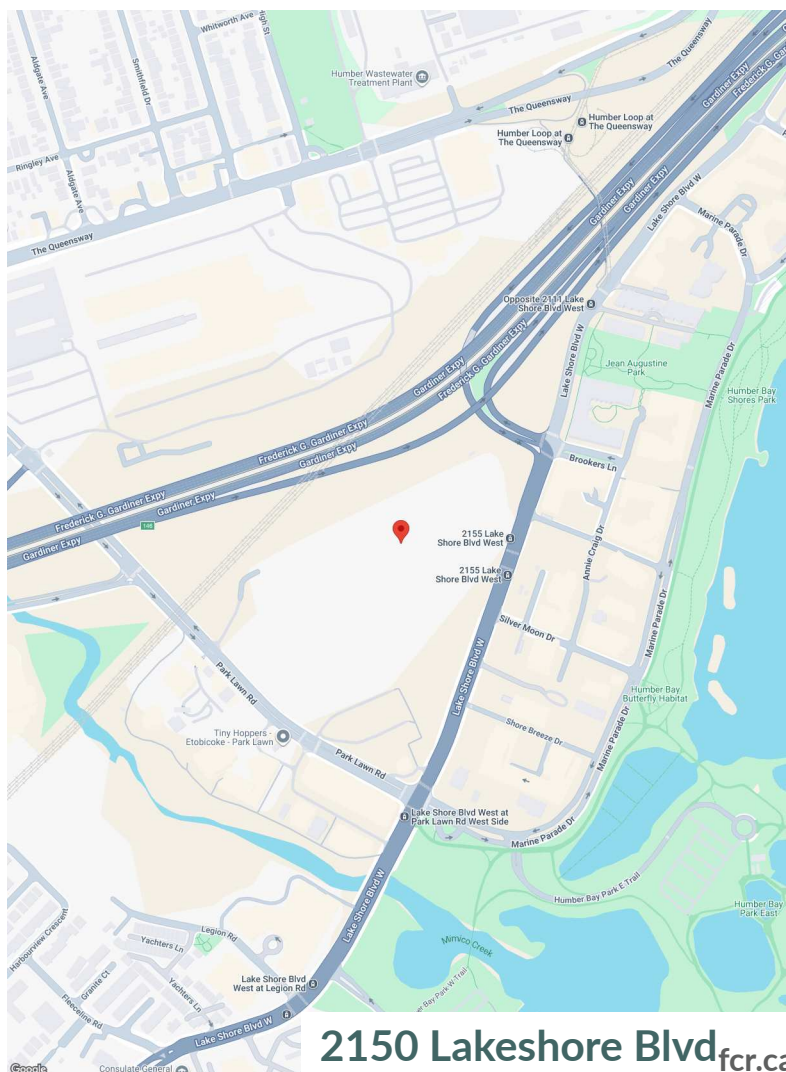

The Christie Cookie site at 2150 Lake Shore Blvd. W. is the last undeveloped land in the area. We plan to turn this 28-acre site into a mixed-use community with better transportation, job opportunities, and new amenities.

This development will create a new heart for Humber Bay Shores, connecting people and improving the area.
