Nested in the heart of an affluent community experiencing rapid growth, is Pergola Commons. The dynamic city of Guelph – one of the fastest-growing cities in Canada – is home to this well-situated property, which is surrounded by both residential and commercial developments. The site is located directly across the street from First Capital's successful Clairfield Commons, where Food Basics, Starbucks, and other local and national retailers are presently thriving. The synergy of the two centres provides a complete shopping experience for the residents of this growing community.
