# Welcome to the Neighbourhood

Bayside Village is the newest community within the East Bayfront district; a mixed-use community with a variety of retail, industrial and commercial developments that are all connected by a variety of parks, public spaces and a 1km water's edge promenade.

This neighbourhood creates the perfect balance for a live-work-play lifestyle and gives the surrounding residents the ability to easily enjoy everything it has to offer.

## East Bayfront Neighbourhood Features

- **6,000** residential units
- **3 million sf** of commercial space
- **5.5 hectares** of parks and public spaces
- **1 km** continuous water's edge promenade
- **10-minute** walk to union station

# An Evergrowing Neighbourhood

The Bayside neighbourhood continues to welcome a variety of new developments bringing people closer to the waterfront and increasing the daytime population in the area. The Waterfront Innovation Centre is a perfect example. This 475,000 sf development (completed 2021) located on Queens Quay provides office space for over 2000 employees and is only a 3-minute walk to Bayside Village.

In addition, T3 Bayside is a new modern office experience development coming to the Bayfront district. Phase I will bring 251,000 sf of contemporary, innovative office space to Downtown Toronto's eastern waterfront in early 2023. A twin building adjacent to phase 1 is also planned to bring another 251,000 sf of office space to the area. These two buildings will provide a new work environment for thousands of employees, providing the surrounding retail with a boost of patrons daily.

The Bayfront District is the perfect opportunity for a retail business looking to take advantage of the growing infrastructure in the community and the continuous increase of daily visitors.
